

## What's YOUR best move in this economy – join TAXI or sit around... waiting for your phone to ring?

The current state of flux in the economy has left many people wondering what their next move should be. If you're feeling stuck in a rut with your music career, now may be the perfect time to shake things up and let TAXI help you.

### Start Getting Paid For Your Music

TAXI is the world's leading independent A&R company. Since 1992, TAXI has helped thousands of songwriters, musicians and bands get their music heard and signed to recording, publishing, and film & TV deals.

### TAXI members aren't just surviving, they're thriving!

Within weeks of joining TAXI your music could be in the hands of A-list insiders in film and TV industry, red-hot record producers, and over 200 A&R experts each with an average of more than 17 years of hands-on experience in the music business.

Imagine having inside access to such a wealth of knowledge, guiding you and helping you shape your music. Take advantage of the amazing Industry Listings TAXI members receive every two weeks from top industry professionals seeking specific music to sign.

Best of all, our Industry Listings spell out for you exactly the type of music the executive requesting submissions wants to hear!

### Get Priceless Written Feedback From Experts

Don't expect our expert panel of A&R professionals to blow smoke or promise miracles. It's their job to keep you focused, energized, and moving in the right direction.

Many members view our experts' written critiques to be the most valuable aspect of membership!

### FREE Annual Convention

Deals totaling millions of dollars have transpired as a direct result of contacts made at our FREE annual private members-only convention, *The Road Rally*, where seasoned music business veterans mingle freely with members - it's like an all-access backstage pass to success!
